Partnership

Benefits

In the past few years, Thinkcloudly has become a leading edtech company with a high success rate. Many of our students have been placed in IT jobs following completion of our courses. We have two commercial models for partnering and doing business together. You may choose either

Commission Based On Courses/Services

- a. Offer 30% commission on all the courses and services (pricing listed on website) to you.
- b. We can share a list of registered users and purchase orders to maintain transparency.
- c. Commission can be withdrawn immediately after conversion.

OR

Fixed Referral Fee

- a. Get fixed fee on each successful referral
 - > Courses: \$100
 - > Resume Assistance: \$25
 - > Job Support: \$75
 - > Certification Assistance: \$50

We take end to end responsibility to deliver committed services and believe in growth in future.

Happy learning !
